

The Edmonton Insurance Association invites you to

A Spring Cleaning With Meaning!

Its spring time which means dusting off and cleaning up after the winter doldrums. Have you given thought to sprucing up your “Personal Brand”? Speaker, Sue Heuman of Style with Purpose will give us tips on how to put our best foot forward. We will have photographer Mark Hughes (Sintra Engineering) available to get you set with a new head shot. Are you cleaning out your closet? We will have Suit Yourself on hand to accept gently worn professional clothing. Your donation will help provide professional business attire for disadvantaged women searching for jobs or starting out in the workforce.
